Resolution:	Unresolved	Votes:	0
Labels:	None		
Original Estimate:	Not Specified		
Remaining Estimate:	Not Specified		
Time Spent:	Not Specified		

Agile

Epic Link: As a user I want to have a module called 'Admin'.

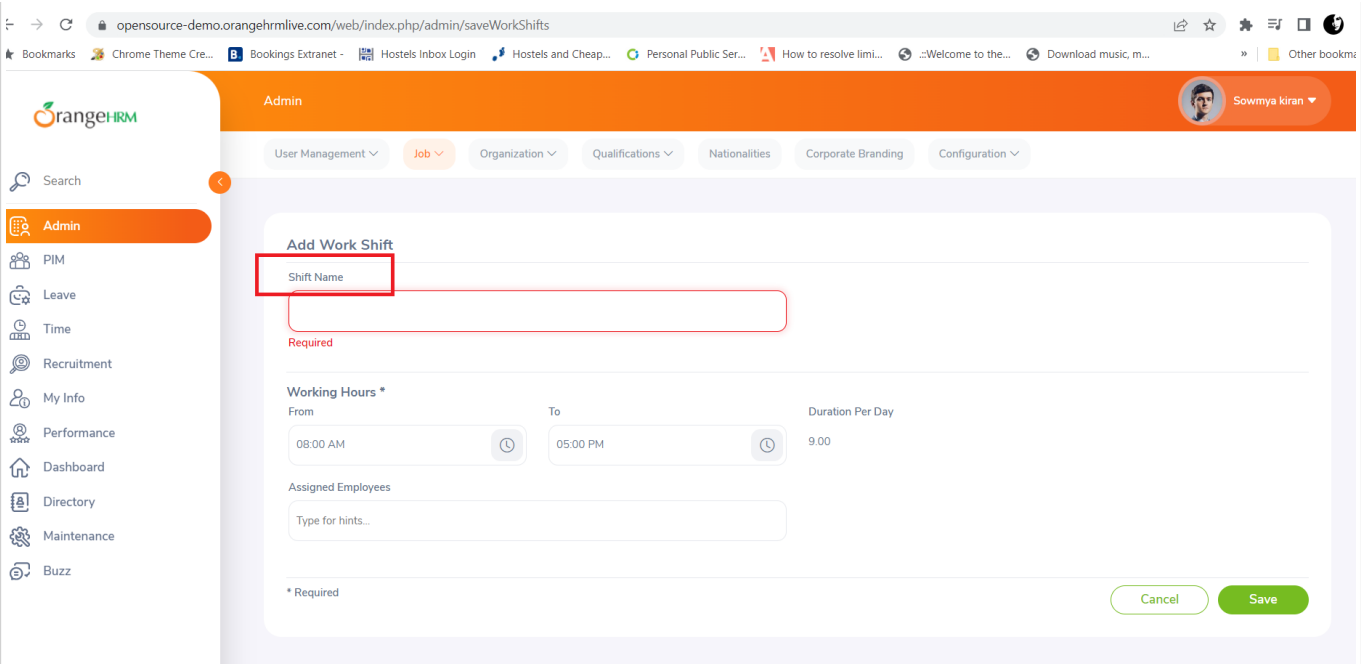

Description

1. Navigate to 'Admin' Module.
2. Go to 'Job' section and click on the 'Work Shifts' subsection.
3. Click on '+Add' button.
4. Check that the Shift Name is marked as required.
5. Click on 'Save' button.

Expected result: Shift Name field is marked with an asterisk as required.

Actual result: Shift Name field is not marked as required.
